this book offers its readers an overview of recent developments in the theory of legal argumentation written by representatives from various disciplines including argumentation theory philosophy of law logic and artificial intelligence it presents an overview of contributions representative of different academic and legal cultures and different continents and countries the book contains contributions on strategic maneuvering argumentum ad absurdum argumentum ad hominem consequentialist argumentation weighing and balancing the relation between legal argumentation and truth the distinction between the context of discovery and context of justification and the role of constitutive and regulative rules in legal argumentation it is based on a selection of papers that were presented in the special workshop on legal argumentation organized at the 25th ivr world congress for philosophy of law and social philosophy held 15 20 august 2011 in frankfurt germany

the death of jesus is commonly regarded as the one radically novel perspective from which the problem of suffering is viewed in the new testament as opposed to the appropriation of viewpoints present elsewhere in contemporary writings and in the old testament tom holmén s focus on the death of jesus as a source of new testament theodicy reveals a two fold reasoning the lasting relevance of the theme of jesus death on the cross and theodicy and the lack of thorough and sustained new testament investigations into this theme holmén s argument focuses on the changes in the concept of suffering occasioned by the unprecedented sacrifice of jesus he explores both the derivative nature of suffering as god s retribution or a test for discipline in line with the traditions known in the time contemporary to the formation of the new testament and the sharp wholly new contrast of suffering as intercessory in the crucifixion of christ son of god appearing to the world as impossible holmén considers many issues in his discussion including the context of providence and covenant and the problem that jesus death causes for theodicy he also examines other perspectives such as the writings of paul and practical

considerations of coping with anguish taken as a whole this study provides a fresh examination of the crucifixion s central role for understanding new testament approaches to suffering
